Reklamni prostor koji nudimo nalazi se na pametnim ekranima, postavljenim na atraktivnim lokacijama unutar ulaza zgrada, trenutno na teritoriji Beograda.

Sistem je kreiran tako da kupovinom jednog mesečnog paketa dobijate mogućnost postavljanja do **4 različite** reklame u trajanju od **20 sekundi po reklami**. Vaše reklame će biti prikazane **72 puta dnevno po monitoru**. Ukoliko na naš oglasni prostor postavite samo jednu reklamu, Vaša reklama će se prikazati **12 puta u satu** odnosno **288 puta dnevno po monitoru**.

Vaš oglasni materijal može biti prikazan kao slika ili kao video i to uz opciju dodavanja zvuka kod obe forme oglašavanja.
